degree
(4) Continue working
(6) I'm not sure

☐
☐
☐

OVERALL ASSESSMENT OF THE MASTER'S PROGRAMME

Please rate your **level of agreement** with the following statements (1 - highly disagree; 2 - disagree; 3 - neutral/indifferent; 4 - agree; 5 - highly agree; DK/NO - don't know/no opinion; n/a - not applicable in this Master's):

1. Public information on the Master's degree was accessible, complete and up-to-date.
2. The Master's programme was well organised (structure; coordination and course sequencing; timetables; calendar; etc.).
3. My academic level on admission was on a par with the level required to take the Master's programme.
4. The course content (updated and revised; a higher level than an undergraduate degree; etc.) was appropriate to the skills profile (learning outcomes) of the Master's programme.
5. The teaching methodology was beneficial to my learning process.
6. The systems used for assessment satisfactorily reflected my level/s of learning.
7. The work load was consistent with the number of course credits and the final year dissertation.
8. I was satisfied with the teaching staff.
9. I was satisfied with placement/work experience.
10. I was satisfied with the final year dissertation.
11. The facilities and specialised resources (classrooms, laboratories, IT equipment, library, research equipment, etc.) were fit-for-purpose
12. The Master's programme provided opportunities for me to have access to a research and/or professional community.
13. The Master's programme opened up possible job opportunities for me.
14. I am satisfied with the knowledge, skills and competences acquired as a result of the Master's programme.
15. I am satisfied with my Master's degree.
