Catalan University Quality Assurance Agency

AQU CATALUNYA

Pursuant to Act 15/2015, 21July, the Catalan University Quality Assurance Agency (AQU Catalunya) is the main instrument for the promotion and assurance of quality in the university and higher education system in Catalonia.

AQU Catalunya is entrusted with the assessment, accreditation and certification of quality in universities and higher education institutions in Catalonia (degree programmes, teaching staff, institutions and services).

PRINCIPLES OF ACTION

AQU Catalunya acts in accordance with the principles of:

01

RIGOUR AND TECHNICAL INDEPENDENCE

Which is safeguarded with the appointment of experts of renowned standing from outside the Agency who have no conflicts of interest and act collectively in the rigorous application of quality assurance criteria.

02

QUALITY ASSURANCE

Which is ensured through external audits of the system for internal quality management and information security (ISO 9001 or 27001); and compliance with the Standards and Guidelines for Quality Assurance in the European Higher Education Area (ESG) that form a cycle for continuous improvement.

03

PROFESSIONALISM

Which is guaranteed through the application of and compliance with the fundamental values and commitments of the Agency's Code of Ethics by all staff and individuals who form part of review panels.

04

TRANSPARENCY

Which is accomplished through the publication and dissemination of the results and outcomes of its activities through the communication tools used by the Agency (website, e-newsletter, Twitter and Youtube).
